**6:35** Any groups that are incomplete will be pulled and used for subs in other groups.

**Once a sub is assigned, they stay in that group, even if the 'regular dancer' arrives later.**

**6:45** Listen for the announcer - at their direction, move into position on street. Be in the 'step brush hop' lines, one position before dance position. Adjust your group's position for any missing groups. We do not want any big gaps between groups
