## Saturday May 1, 2010

### 12:00 p.m.

**11:30** Call Time (report to sidewalk area adjacent to your position on street)

**11:35** Any groups that are incomplete will be pulled and used for subs in other groups.

**Once a sub is assigned, they stay in that group, even if the 'regular dancer' arrives later.**

**11:45** Listen for the announcer - at their direction, move into position on street  
Be in the 'step brush hop' lines, one position before dance position  
Adjust your group's position for any missing groups. We do not want any big gaps between groups
